on purchases of \$499 or more, after discounts, made on the Office Depot® Personal Credit Account in-store, by phone or online. Minimum monthly payments required.

\*With credit approval for all single sale receipt purchases made between 03/02/08 and 03/29/08 totaling \$499 or more, after discounts, made on the Office Depot Personal Credit Account. FINANCE CHARGES accrue on a promotional balance (which includes the promotional purchase and related fees for optional credit protection) from the transaction date and all accrued FINANCE CHARGES for the entire promotional period will be added to your account if the promotional balance is not paid in full by the end of the promotional period or if you fail to make a required payment on your account when due. Minimum monthly payments of the greater of \$20.00 or 3.33% of your promotional balance (which calculation is rounded up to the nearest dollar) are required plus any minimum payment otherwise due. Making the minimum monthly payment will not pay off your promotional balance in time to avoid FINANCE CHARGES. APRs up to 24.00%, but if your account has a variable APR, the APR is up to 24.00% as of January 29, 2008 and may vary. Minimum FINANCE CHARGE: \$1.50. See card agreement for details including when the default rate applies. Offer is only valid for consumer accounts in good standing and is subject to change without notice. May not be combined with any other credit promotion offer.
